Mayfield School Newsletter

1st February 2011

Dear Parents and Community members,

Welcome back everyone. I hope you all had some interesting adventures over the holidays and are looking forward to the start of the school year. We have had a lot of property work done over the holidays including: construction of the new block wall, earthquake repairs to minor wall movement, re-vamping the sports shed and installing glass into the junior toilet block.

Welcome to our new students and families to Mayfield School. It is great to see some new faces around the school. Here are their names and classes:

Angus Carr	Room 5
Nevaeh Randall	Room 5
Emily Greer	Room 4
Hunter Stacey	Room 4

Also a big welcome to Miss Campion who is teaching in Room 2 this year. We know you will love teaching at Mayfield School. She has got through her first day and is still smiling and we know with her great preparation and enthusiasm Room 2 are in for a special time.

We just arranging a school picnic and we will have information on this in next weeks newsletter. Maybe Lake Camp will warm up in the next two weeks after the snow.

School Swimming

The children need to bring their swimming gear every day as classes will go swimming if the weather is warm enough. Senior rooms will be going after playtime and juniors will be going together after lunchtime. Our rural swimming sports is on the 17 February so we need to sort relay teams and get in as much practice as we can.

Ladybank Music Lessons

Nicola Reddicliffe is taking names for music lessons at Mayfield School for singing, guitar and keyboard. Lessons will start this Thursday. Please contact Nicola if you are interested:
